

Experience

Doxel Senior Product Designer

Aug 2024 – Sep 2025 • Seattle, WA

Overhauling mobile app experience used to track construction progress, reducing task completion time by 30% and data processing overhead time by 20%.

Amazon • AWS Fintech UX Designer

Mar 2023 – Mar 2024 • Seattle, WA • Contract

Led design on 2 products used by Financial Analysts responsible for reporting and tracking financial goals for the CFO of Amazon AWS.

Launched over 5 features, saving users an average of 10 hours per report created, leading to a 3x growth of monthly average users and a 10% reduction in reporting errors.

Microsoft • Power Apps Designer II

Dec 2017 – Dec 2021 • Bellevue, WA

Led design overhaul of database creation allowing new users to create apps more easily, resulting in a 3% increase in apps created per month.

Increased design system cohesion by leading pattern alignment groups and defining guidelines to create scalable UI components for over 10 products to use.
